

**CYBER
TIPS**
FROM **CYBERTIPS.BM**

- Refuse to pass along cyberbullying messages.
- Tell friends to stop cyberbullying.
- Block communication with cyberbullies.
- Save the evidence and report cyberbullying to a trusted adult.
- Never post or share your personal information online (this includes your full name, address, telephone number, school name, parents' names) or your friends' personal information.
- Never share your Internet passwords with anyone, except your parents.
- Never meet anyone face-to-face whom you only know online.
- Talk to your parents regularly about what you do online.
